

WEAK WOMEN.

CONSTIPATION STARTED YOUR SUFFERING.
CURE IT AND YOUR AFFLICTION WILL VANISH.

Mull's Grape Tonic Cures Constipation.

When the bowels move irregularly, the entire body system must suffer. Constipation more frequently occurs among women and it manifests itself in provoking profuse leucorrhea and other serious female diseases. Regular bowels will result in a complete cure when you use Mull's Grape Tonic. Unlike pills and ordinary cathartics, this remedy is a mild, gentle laxative in addition to being a greater flesh-builder, blood-maker and strength-giver than cod liver oil or any other preparation recommended for that purpose. Mull's Grape Tonic will permanently cure the most obstinate case of constipation, and the numerous ailments that invariably follow in its wake. No matter if it is piles, liver complaint, kidney disorder, vertigo, palpitation of the heart, diarrhoea or the self-poisoning which follows when the undigested food remains in the bowels where it putrefies and empties highly diseased germs into the blood, such as typhoid and malaria, Mull's Grape Tonic will positively cure. Large sample bottle will be sent free to any address on receipt of 10 cents to cover postage, by the Lightning Medicine Co., Rock Island, Ill. Send name of your druggist. All druggists sell Mull's Grape Tonic at 50 cents a bottle.

DAVENPORT DOTS

Yesterday morning Mr. and Mrs. Christian Bruhn, the Northwest Davenport butcher, lost their 6-day-old daughter, Hilda, who died of infantile disorders at the family home, 1423 Marshall street.

C. A. Packard, inspector of govern-
ment buildings, is in the city, and as
a result of his visit the postoffice
building will shortly be put in thor-
ough repair and will have new steps
at either entrance, in place of those
that have been disintegrating for
some time.

Sheriff McArthur reports 21 in the
jail at present who are held to the
September grand jury. Among these
is the Joe Lane burglar. Several more
are out on bail, and it is certain that
the budget of criminals will be ex-
ceedingly augmented before the panel
is through with its work.

Mike Whitty is again in trouble.
He was caught with the goods on.
These consisted of three ladies' sum-
mer vests, two pairs of hose and a
pair of shoes, all brand new. The
police suspect he took them from
either the St. Ouge or the Rejs-Jung
stores. The police are investigating.

Shortly after 2 o'clock yesterday af-
ternoon the young son of ex-Detective
James Wafer narrowly escaped in-
jury on Harrison street in a runaway
accident. He was driving one of the
McCarthy Stone company's wagons,
when the horse took fright at Fifth
and Harrison streets and ran pell-mell
down Harrison street, throwing the
boy out against the curb near the
Weise livery barn at the foot of the
thoroughfare. He was not hurt in
the fall, although one wheel passed
over his head, and those who saw the
accident had a bad scare.

Yesterday workmen began to tear
down the big brick barn on the site
of the proposed Duglebyatorium on
Scott and Fourth streets, preparatory
to the erection of that structure.
The building will be 145x33 feet
and will have an 80-foot plunge with
private baths in the rear. The natu-
atorium will be put up close to the
south side of the Pittsburgh Plate
Glass company's building, and a 20-
foot alley will be reserved to the city
south of the contemplated structure.
The cost will be \$16,000. The founda-
tion walls of the old Decker malt
house will be used in the construction
of the plunge and the foundations of
the new building.

Ray Smith and Annie Monk were
arraigned in police court yesterday,
charged with the crime of highway
robbery. The specific charge against
them was the hold-up of Peter Pear-
son, a Geneseo bachelor, who wander-
ed into the frail quarters of the city
last week to \$10,400 worth of land
which he had purchased last week at In-
dependence. After hearing the evidence
the magistrate decided to hold the
woman and Smith to the grand jury,
and placed their bonds at \$1,000 each.
Both were taken to jail. Pearson
signed a recognizance bond for his
appearance before the grand jury
when needed.

At his home, 1502 Gaines street, at
11:20 o'clock Sunday forenoon, occur-
ed the death of Julius Struck, brother
of Henry C. Struck, Jr., cashier of
the Davenport Savings bank, in the
37th year of his age. Appendicitis
operated for a year ago, caused his
death. Deceased was born in this city
and educated here. There survive
him a wife, Alvina, nee Peckenscheider,
and two children, Julius and Horace;
also a brother, Henry C. Struck,
and four sisters, Mrs. Peter E. Rodde-
wig, Mrs. Theodore Krabbenhoft, Mrs.
Charles Neff and Mrs. Emilie Haas.
The funeral will be held at 2 o'clock
tomorrow afternoon from the late
residence, 1502 Gaines street, with in-
terment at Fairmount cemetery.

Charles Schaeffer, a fireman in the
employ of the Milwaukee road, met
with quite a severe accident yester-

day morning. At the time his engine
was doing some switching in the vi-
cinity of the Milwaukee round house,
when he slipped on the floor of his
engine cab and was thrown off, strik-
ing his head upon a rail as he struck
the ground. Several deep gashes in
the head resulted and Mr. Schaeffer
was for the time being rendered un-
conscious. Drs. Middleton and Craw-
ford attended to the injuries and no
serious results of a lasting nature
are anticipated.

A couple of "sporty looking young
fellows took a single rig out of Henry
Jager's livery about 4 o'clock Sunday
afternoon and at last accounts were
miles away. The animal is a large
black mare of 1550 pounds weight, a
good actor and good traveler. The
vehicle is a Corning buggy, with top,
red gear, and rubber tires. The party
was traced to the other side of the
river, up the eastern bank of the Mis-
sissippi as far as Cordova, and on
through that town in the direction of
Erie, Ill. It was seen there about 8
in the morning, the men urging the
tired horse along. The telephone and
telegraph have been freely used in
the chase, and there is a possibility
that some of the men who have been
advised may pick the party up, but
there is also a good chance that they
will get away. The horse was one of
the best in the stable, and with buggy
and harness represented a tidy sum
to lose.

HAYFEVER'S CONQUEROR

Breathe Hyomei and Escape This Dreaded
Summer Visitor.

By the use of Hyomei, you can save
an expensive trip to the mountains
and escape weeks of suffering. This
remarkable remedy for the cure of
hay fever, kills the germs of disease,
soothes and heals the irritated mu-
cous membrane, if used two or three
weeks before the time of the usual
appearance of hay fever will prevent
the attack.

The complete Hyomei treatment
consists of a neat pocket inhaler,
through which Hyomei is breathed, a
bottle of Hyomei, and a medicine
dropper. The air taken into the
lungs in this way is filled with heal-
ing balsams and forms a perfect safe-
guard against attacks of hay fever or
colds.

Those who have had hay fever,
know how little help can be gained
by stomach dosing in this disease.
Hyomei is the only scientific yet com-
mon sense treatment for the trouble.

It is easy enough for any one to
say that a remedy will give satisfac-
tion, but T. H. Thomas' offer to re-
fund the money if Hyomei does not
do all that is claimed for it, certainly
inspires faith in the treatment.

Hyomei really gives you in your
own home, a change of climate, and
hay fever sufferers know from past
experience that this has been the only
thing that afforded them relief. By
breathing Hyomei a few times daily,
you can save the expense and trouble
of a mountain trip and avoid all dan-
ger of hay fever.

Al Physician Healed.

Dr. George Ewing, a practicing phy-
sician of Smith's Grove, Ky., for over
thirty years, writes his personal ex-
perience with Foley's Kidney Cure.
"For years I had been greatly har-
assed with kidney and bladder trouble
and enlarged prostate gland. I used
everything known to the profession
without relief, until I commenced to
use Foley's Kidney Cure. After tak-
ing three bottles I was entirely re-
lieved and cured. I prescribe it now
daily in my practice and heartily re-
commend its use to all physicians for
such troubles. I have prescribed it in
hundreds of cases with perfect suc-
cess." All druggists.

Save the Children.
Ninety-nine out of every 100 dis-
eases that children have are due to
disorders of the stomach, and these
disorders are all caused by indiges-
tion. Kodol Dyspepsia Cure is just
as good for children as it is for adults.
Children thrive on it. It keeps their
little stomachs sweet and encourages
their growth and development. Mrs.
Henry Carter, 705 Central street,
Nashville, Tenn., says: "My little boy
is now 3 years old and has been suf-
fering from indigestion ever since he
was born. I have had the best doc-
tors in Nashville, but failed to do him
any good. After using one bottle of
Kodol he is a well baby. I recommend
it to all sufferers." Kodol digests
what you eat and makes the stomach
sweet.

MOLINE MENTION

Ellas Day, who proved so popular
during his chautauqua engagements
here this summer, is again in the city,
the guest of Mr. and Mrs. Schiller Hos-
ford.

Dr. L. W. Skidmore has returned
after a two weeks' vacation trip in
the east. He joined at Detroit a class-
mate he had not seen in 20 years, and
they traveled together to Atlantic
City, up the Hudson and to other
points of interest, besides taking a
trip in the briny and seeing the sights
of New York.

Charles E. White, superintendent of
the Sylvan steel mills of the Republic
Iron & Steel company, leaves Sept. 1
to accept a like position with the
Deere & Mamar company, and Satur-
day he was presented a valuable
watch by the employees whom he so
soon leaves. The presentation speech
was made by Judge Nathaniel French.
The watch is valued at \$150.

New Shops addition to East Moline
—a triangular tract lying east of the
Union Malleable shops—has been open-
ed and the work of plating the large
addition was started yesterday. The
improvement to be made constitutes
the largest undertaking in years by
the East Moline company, and it indi-
cates new confidence and greater
prospects for the future of the pro-
gressive suburb.

There was a great deal of excite-
ment and a close call from death for
one workman at the scene of the wa-
terworks improvement yesterday af-
ternoon. A derrick had been seen for
the purpose of lifting the heavy steel
beams to place, and just as one of the
beams was being hoisted to the sec-
ond story the derrick gave way, fall-
ing with a crash. Several workmen
barely escaped being caught and
crushed to death. William Burk, was
not so fortunate, being struck by the
steel beam which was being lifted to
place. His back was seriously injured
and he was taken to his boarding
house in the ambulance. His home is
in Davenport.

Sunday the members of the city
council as committee of the whole
visited the Rock river bridge, where
the South Moline highway commis-
sioners met, to take up the matter
of the city donating a portion of
the ground owned by the municipali-
ty at that point for the purpose of
improving the drainage of the land
there. It is the desire to construct
an open ditch to drain off the land,
and to do this it will be necessary to
use some of the land owned by the
city close to the bridge, and which
was formerly used by the tollkeeper
at the bridge. After going over the
matter thoroughly it was the opinion
of the members of the council that
it would be a good idea to grant the
request, and it is likely that this will
take the form of definite action at the
next regular meeting of the city coun-
cil.

Edward L. Campbell has been se-
lected for the chair of Latin in the
Moline high school, to succeed H. C.
Calhoun, who cancelled his call here
to go to St. Louis. Mr. Campbell
comes highly recommended. He is a
University of Michigan graduate and
has good records both at Manist-
ique, Mich., and Boise City, Idaho,
where he has taught and acted as
principal as well. It should be stated
that Superintendent Smith and the
board of education in their selection
of teachers are not allowing at consid-
eration of an application. This is done
in response to what was felt to be a
public protest against athletics man-
ifested last spring. But in Mr. Camp-
bell it is understood an instructor has
been secured who is up in athletics,
has considerable of a college record
in this respect and may be prevailed
on to assist the boys in their work.

Suicide Prevented.

The startling announcement that a
preventive of suicide had been dis-
covered will interest many. A run-
down system or despondency invari-
ably precede suicide and something
has been found that will prevent that
condition which makes suicide likely.
At the first thought of self-destruc-

Potent Pill Pleasure.

The pills that are potent in their
action and pleasant in effect are De
Witt's Little Early Risers. W. S. Phil-
pot, of Albany, Ga., says: "During a
bilious attack I took one. Small as it
was it did me more good than col-
onel, blue-mass or any other pills I've
taken, and at the same time it affected
me pleasantly. Little Early Risers
are certainly an ideal pill."

Gift of Healing Not a Mystery

It is the Union of this Rare Gift With the Rarest Train-
ing That Has Made the Phenomena of Power Over
Disease. These Cures are the Natural Triumphs
of the Great X-Ray Doctors. The whole Country
Thrilled at the Marvelous Cures. This is the Most
Favorable Season to Cure Chronic Diseases. Dr.
Horne's Work For Humanity. One of the Bright-
est Epochs in Medical History.

The phenomena of power is start-
ling only because it is rare; supernat-
ural only to the extent of the unusu-
al. The marvel of these cures, which
have brought into vivid relief the
great X-Ray doctor's gift of healing,
involves no mystery.

There is no mystery in the charm
of the singer, who adds to the rare
gift of music the training of years in
the conservatories and ensembles.

Dr. Horne wishes to emphasize the
fact that during the summer months
chronic diseases of whatever nature
are cured in one-half the time that
would be required during the inclem-
ent winter weather. Nature lends her
aid to the physician and cures are
accomplished at this season of the
year in a comparatively short time.

DR. HORNE CURING THE SICK.

Each week, standing boldly out
from amidst the failures of others,
Dr. Horne publishes the names and
addresses of people cured, people well
known in the community, people
whose standing forbids the thought
of their lending their names to any
but an honest statement. The people
ask themselves, what does this mean,
and the answer impresses itself up-
on them with a force that compels
conviction. Nothing but merit and
real conscientious work could pro-
duce such results and make such a
record as this.

FREE X-RAY EXAMINATION
Dr. Horne never accepts a case
unless he knows to a certainty the
cause of the trouble, and this can only
be determined by a scientific exami-
nation. His X-Ray outfit is the most
elaborate and complete in this coun-
try. By his special Fluoroscopic at-
tachment he is able to examine all
parts of the body and find out to an
absolute certainty the cause of the
patient's affliction. Come and be ex-
amined; it is absolutely free. He will
not charge you one cent. Come and
find out what your trouble is and he
will advise you in reference to a cure.
It is all free. He asks no compensa-
tion.

There is no mystery in the cures of
the famous physician, who has added
to the inherited gift of healing the
rarest training of school, hospital

A Question of QUALITY

When the summer days are hot, and perspiring humanity feels the need of healthful beverages to quench the thirst and set the nerves and stomach right, there's nothing quite so grateful and satisfying as our delicious carbonated beverages. We use the best of everything. All our goods are made with pure spring water, cane sugar, and flavored with our own make of extracts, which are the quality in strength and richness.
